

LINNEA SINCLAIR

Science Fiction Romance Author

www.linneasinclair.com

Winner of the prestigious national book award, the RITA®, science fiction romance author **Linnea Sinclair** has become a name synonymous for high-action, emotionally intense, character-driven novels. Reviewers note that Sinclair's novels "have the wow-factor in spades," earning her accolades from both the science fiction and romance communities. A former news reporter and retired private detective, Sinclair resides in Naples, Florida (winters) and Columbus, Ohio (summers) with her husband, Robert Bernadino, and their thoroughly spoiled cats. Readers can find her perched on the third barstool from the left in her Intergalactic Bar and Grille at www.linneasinclair.com.
